WORK EXPERIENCE

Internship Project

Aparajay campaigns Limited • April 2022 – Present

- Assisted other developers in updating and extending code for digital download and ecommerce websites.
- MERN stack development.
- Worked closely with team members to create consistent, reusable, and maintainable code; designed new software systems or updates to existing systems and
- Coordinated and participated in implementation, testing, and support.
- Provided timely turnaround and documentation of bug fixes during the test cycle.
- Provided technical product support for our products to other OverDrive departments (IT, Project Management, etc.).
- Responsible for understanding how their work fits into the project objectives.

Project Work

Axel Gym • March 2021 – November 2022

- Converted the approved Photoshop proofs into W3C-validated markup.
- Ensured each build functions correctly on mobile, tablet, and desktop devices.
- Worked efficiently to meet or exceed development metrics for time and design standards.
- Worked closely with Web Producers to complete projects accurately and on time.
- Provided occasional assistance to Web Designers to ensure features in the design phase can be produced during development.
- Made on-the-fly design changes using Photoshop as necessary.
- Participated in team meetings and contributed ideas and solutions.

EDUCATION

- Bachelor of Technology (B. Tech) in Computer Science and information Technology from Institute of Engineering and Science, IPS Academy, Indore, MP, India – June 2019 – July 2023
- Passed HSC in March 2019 from Sunflower Higher Secondary School, Harda, M.P
- Passed SSLC in March 2017 from Sunflower Higher Secondary School, Harda, M.P.
