With a strong foundation in languages such as JavaScript, HTML, CSS, and experience with frameworks like next .Js ,Laravel,Codeigniter,php, I excel in developing user-friendly interfaces and scalable solutions.

EXPERIENCE

Milestone Homes Real Estate(Full stack Developer)
Dec 2023 – Present
Full Stack Developer with a comprehensive proficiency in Next.js, MongoDB, Laravel, PHP, HTML, CSS, JavaScript, and jQuery. Experienced in developing robust web applications and websites, utilizing a combination of front-end and back-end technologies.

3S Studio Pvt. Ltd (Laravel Developer)
Jul 2023 – Dec 2023
As a Laravel Developer at 3S Studio Pvt. Ltd, my role primarily involved developing and maintaining web applications using the Laravel framework. I was responsible for writing clean, efficient, and maintainable code to implement new features and functionality.

Doors Studio (PHP Full Stack Developer)
Apr 2022 -Jul 2023
As a PHP Full Stack Developer at Doors Studio, my primary focus was on web development tasks. I was responsible for developing and maintaining the company's web applications and websites using PHP, HTML, CSS, JavaScript, and other related technologies. This included writing clean, efficient, and secure code to implement new features and functionalities, as well as ensuring the overall performance and scalability of the web projects.
